PROFILE

Passionate Flutter developer with a strong background in building scalable and high-performance mobile applications. Experienced in using Riverpod for state management, Appwrite for backend solutions. Skilled in creating responsive and visually appealing UI components, inspired by modern design principles. Dedicated to delivering seamless user experiences and optimizing app performance. Constantly exploring new technologies to enhance development workflows and build innovative solutions.

WORK EXPERIENCE

Mohesu   2022 - PRESENT
Junior Flutter Developer
- Developed and maintained mobile applications using Flutter, ensuring high performance, scalability, and responsiveness across different devices.
- Collaborated with cross-functional teams to design and implement user-friendly interfaces, incorporating feedback to improve overall user experience.

Projects   2022 - 2025
Marketing Manager & Specialist
- Aluum: A comprehensive service booking app where users can book various services, service owners can track and manage their revenue and bookings, and individuals can rent out their spaces, all in one seamless platform. (under development)
- Rsacp: A platform designed for organizations to efficiently manage their events, allowing them to upload and share photos and videos, providing a centralized space for event content and engagement.
- Mahavastu: A Vastu consultation app where users can upload their house plans and receive personalized Vastu recommendations to optimize the energy flow and design of their home.
- Vision Entertainment : A music streaming app that allows users to discover, listen to, and share their favorite songs, creating personalized playlists and enjoying high-quality audio on-demand.
- NWB: A platform that allows users to browse, purchase VIP mobile numbers, offering a unique and personalized contact number experience.
- Roomist: An intuitive hotel booking app that allows users to effortlessly search, compare, and reserve accommodations, providing a seamless experience from booking to check-out.

EXTRA ACTIVITIES

I have successfully trekked Kedarkantha, demonstrating perseverance, teamwork, and determination to overcome physical and mental challenges.
